

Homework 6 Theory

Joseph Mulray

February 20, 2017

Problem 5.7:

Show the 2-3 tree that results if we insert into an empty set, represented as a 2-3 tree, the elements 5, 2, 7, 0, 3, 4, 6, 1, 8, 9:

Problem 5.8:

Show the result of deleting 3 from the 2-3 tree that results from Exercise 5.7:
